Supplement to syllabus for students from outside Fuqua

Thank you for your interest in the Health Economics and Strategy class at Duke University's Fuqua School of Business. We're happy to have students from outside Fuqua. You bring valuable perspectives to our class discussion.

Registration: To register for Fuqua courses you need permission. Please E-mail me requesting permission then contact the Fuqua registrar. School policy is to give priority to Fuqua students, so if a section is nearly full, non-Fuqua students will not be officially enrolled until late in the first week, space permitting. Generally I have space in at least one of my sections. For more information about registration at Fuqua see:

http://www.fuqua.duke.edu/student_resources/registration/non_fuqua_students

Pre-assignment: Spring term 2 starts in mid-March. There is an assignment due on the first day of class. You can pick up the business case for the first class in the Building Management Office (basement of Fuqua). If you can't come to Fuqua, then you can access the pre-assignment on the web. I can send you the link.

Textbook: "A Health Economics Primer" is available at the Duke bookstore and in the Fuqua library.

Course pack: On the first day of class you can buy your course pack which contains the other cases.
