**RE:** Cam Harvey

**DATE:** February 10, 1993

Congratulations to Cam Harvey are in order. Cam was just awarded the prestigious Batterymarch Fellowship for the 1993-94 academic year. This fellowship is a great honor for him and, by extension, for the School. In addition to the honor, it relieves him of teaching responsibilities for a year and allows him to concentrate on his research program. I'm delighted to hear of this award and wish Cam a very enjoyable and productive year as a Batterymarch Fellow.
