Gold prices show a very rapid increase in the last week. Quarter the price of gold per 140 digits of these numbers are very glad to have passed and gold investors. Economists in the gold prices to recover in the states of slowly until Christmas, gold prices began to see the last of the most beautiful figures. Gold investors, gold prices are so afraid of. As a result of investments made are very curious about what's gonna happen, gold price per gram of them had low as £ 107 a short period of 5-6 months after reaching the figure as £ 75 gold a wonder that investors began to fear Can the old price.

Monday August 19, 2013 What will be the price of gold? Last week, gold prices closed higher. Quarter gold jewelers found 162 pounds of the buyer. Half gold satilabilid 284 pounds up to 326 Lira in getting sarrafand. Republic gold fetch if I am 645 pounds up. This week, gold prices can continue to rise? This week we are going to see it all together, closely follows the international commodity markets, Campbell R. Professor of International Economics at Duke University Harvey, gold prices, noting that the already high level, more so in the next period is more likely to follow a downward trend, he said. Gold’s, signs of improvement in the U.S. economy, the Fed could start to reduce incentives to reinforce expectations, despite the increase in the last five weeks of the best of the week After registering answering questions of AA correspondent Harvey, “Gold prices look at the historical course of the already high level of prices, than the next period it more likely to follow a downward trend. In this case, the next time gold prices again in 1600 dollars piyasa $ 800 level is too a higher probability “predicted.

"GOLD CONCERN increases, increases,"

Gold’s this year, with the loss of some of the investors' confidence in the quality of the metal value hedge indicating that the expert has made 19 percent decline, "I have some of the factors affecting the decline hunch. Gold prices generally rise with the increase in worry records. Bullion 1900 A similar level of dollars to see more people trapped in the U.S. have closed Japonya ‘taking worry about, almost the brink of fragmentation in Europe gelmesinden ‘ he said. "RISE SHORT TERM" recently in the United States out of economic data acquisition program, the U.S. central bank bonds Referring to come to a suitable Harvey, made the following assessment: "In my opinion, we are in a trade built on fear. U.S.
The economy is growing and there are some signs of a beginning of recovery of the EU economy. Secondly, emerging economies such as China and India, demand for gold the increase in gold prices can be seen in the rise. Nevertheless, I still think that this trend will be for a short time. "CHINA - INDIA remind Harvey also gold demand in some emerging economies that make up a significant portion of the state is not very bright, said: "India is already a very serious and I had to deal with comprehensive problems. fact, at the beginning of the Central Bank has recently (in 2008 a few economists can predict the global economic crisis is one) was Rajan’ın Raghu. China is currently growing at a much slower than expected. currently a soft landing for China will make a hard landing or discussed," he said, downward movement BE Garanti Bank Gold and Money Markets Expert Alper Kalyoncu, the." Gold prices can say that the physical demand upward. Far East, China, India and Turkey There is a demand in the physical bottom. This is supported prices, many institutional investors have already sold their long positions because they already did not make extra sales. Prices are up to an amount of physical demand in the future could be passed on, but I do not think the range of 1370-1420 dollars. physical demand will be reduced in the range "predicted. Kalyoncu, "looks like we may in the future between 1300-1400 dollars. general direction is still down. U.S. 10-year bond yields continue to come up. expansionary monetary policy of the Fed is signaling’m going. This could be a move downward in the coming period show," he said.

JEWELLERS: 'The strike’s over' Daphne’deki due to strike gold more expensive than the President of the Chamber, indicating that the Ankara Jewelers Çavuşçulu, "The strike's over" called for. Çavuşçulu, "There's a shortage in the market but the price is no shortage of gold a quarter. Quarter of gold should be 15, the Republic could be more expensive than the 25 pounds. This difference out of pocket of citizens," he said, due to a strike at the General Directorate of Mint and Printing quarter of gold 's 15, the Republic of gold jewelers, indicating that the 25 pounds more expensive than the worker and the employer’s normal level of prices in the case of agreement, he argued. Ankara Chamber of Jewelers President Hasan Çavuşçulu, the start of wedding season and an increase in demand for gold prices fall, noting Mint disrupt the balance of supply and demand under a quarter said the strike began. Some investors are pushing for the summer period at their disposal large amounts of gold gold is surveyed market that claim to increase prices Çavuşçulu, said: You have to realize £ 15 22 carat gold price per gram of about 76 pounds, a quarter of gold is 1.75 grams. So the value of one quarter of 133 pounds of gold, 3 pounds of this labor (Mint printing costs) 4 pounds, add in the jewelry store profit reach the final figure of 140 pounds. But today, 155 pounds of gold sold in the quarter. Meanwhile there is a difference of 15 pounds. This difference is going to someone's pocket. These individuals, large amounts of gold during the strike launched banana and a large amount of the gold fields. For customers could not tell the difference between a highly uncomfortable with the situation we were jewelers. "There's a shortage GOLD PRICE NO SHORTAGE
Quarter and the Republic of gold occurs when the supply-demand balance to strike again Çavuşculu voicing agreement should be concluded, said: "Both the employers as well as workers meet at a common point side of the termination of the agreement and no longer want this strike. We think that the mint to make a more modern production system. Because he's good as long as the rights of the Mint will have to wait more than those who want to get their share."

HAPPY ON STRIKE IN REFUSING

Press-Business General Secretary of the collective bargaining table to end the war unwillingly Nigar meet the quality demands of the proposals submitted, he said. Nigar 257 striking workers of collective bargaining concerns, "demands that generates value deserves Mint employees. State that does not strike us very happy situation. We want collective bargaining agreement signed as soon as possible. To do this, we can review our demands," he said.
